ISRAEL *GAZA* IRAN – IS THIS ANOTHER SURPRISE ATTACK?

ISRAEL*GAZA*IRAN IS THIS ANOTHER SURPRISE ATTACK?

The timing of the surprise attack on Israel was in the period of a surreal moment. Our Lady is here for Peace. Our Lady references this war in Her apparition of October 7, 2023, in the moments it was starting. Significant also is that this Israel/Gaza war started on the Feast of the Holy Rosary, so named for the miraculous victory of the Battle of Lepanto, on October 7, 1571, when Our Lady's intercession was sought through the Rosary to save Christendom from the Ottoman Turks. Yet, there are naysayers who reject Our Lady of Medjugorje. There are even those who have gone to Medjugorje and yet reject Our Lady's apparitions. As an example, these feedbacks were a response to a Radio Wave Broadcast on August 10, 2023, Medjugorje.com:

Aurelio Rave writes:

"I was there in Medjugorje. It's an Abomination to God. Using Mary as The Intercessor instead of Jesus. The Word will judge Them for misleading the Masses (of people) in believing, praying to Her which nowhere in The Bible does It support this Blasphemy and Idolatry."

Fatima Maria writes:

"Another fake site. Don't be fooled."

Our Lady gives notice in Her October 7, 2023, apparition to Medjugorje visionary, Ivan, of a grave situation unfolding for the whole world. It is not by chance this happened on the day of the miraculous victory of the Battle of Lepanto. The two previous "tweets" mocking Our Lady deny the mountain of evidence that support the conclusion that Medjugorje is real. Ivan saw, in the October 7, 2023, apparition, Heaven alerting the world

by Our Lady's demeanor in the apparition. Everyone should take seriously the words and demeanor of Our Lady and be convinced of the great danger this war poses, and the grave consequences for the whole world that will come from it. It is tragic to not accept Our Lady. Our Lady says on June 25, 1991:

“..There are many people who do not desire to understand my messages and to accept with seriousness what I am saying..”

It is a pity not to believe what we know is true: that Our Lady is really appearing to save us and even those who reject Her. There is so much evidence of Our Lady's presence with millions of conversions and supernatural signs. On October 7, 2023, before the world fully knew what was happening with Israel, Our Lady was giving a sign. Ivan's apparition with Our Lady was in the first several hours of the attack against Israel. In those first hours, the world did not have any idea of the magnitude of the attack. But Our Lady gave Ivan a sign of how serious the situation was by Her countenance.

The beginning of this writing states, *“in the period of a surreal moment.”* The word “surreal” means *not seeming real*. The word was used at the beginning of this writing because of the timing of Our Lady coming to the earth in Ivan's apparition that coincided with the true news of how serious the situation was transpiring in Israel, coupled with what Ivan saw when he looked at Our Lady's face. Ivan was the single individual on earth who witnessed Our Lady's countenance and from whom we learned that Our Lady was “worried.” While the attacks were developing into war, the world did not yet know the seriousness engulfing not only Israel, but also the dire consequences facing the whole world through this conflict.

Our Lady appeared in the hours the attack was beginning and ramping up. Ivan said after the apparition:

“Our Lady came this afternoon very worried.”

Ivan added:

“Looking very worried, Our Lady prayed in a special way for peace.”

He then shared the message Our Lady spoke to him:

“Dear children, today I call you again to pray for peace. Pray for my peace plan. I need you. With you I can achieve peace. They (you*) fight the evil. Resolve for peace, be persistent in that decision.”

Ivan said after the message was given, *“Our Lady continued to pray for peace and in this prayer, She went in the sign of the light and of the Cross with the words: **Go in peace, my dear children.**”*

Ivan added:

“I would like to say again that this afternoon Our Lady did not look pleased or happy, but rather worried and asked us to pray for peace.”

Ivan added:

“I felt during our conversation how necessary it is to pray for peace.”

We know that the visionaries have seen Our Lady look sad, but never have we heard any of the visionaries say Our Lady looked worried throughout these 42 years of apparitions, even during other dangerous crisis. Why then did She show Herself to be worried over this conflict? Shortly after Our Lady's words were given to the world, the stories and images from Israel started to emerge. Breaking through the border, terrorists went into neighborhoods, busting into houses and killed without concern women, children and babies. Videos show forty babies' heads were decapitated from their bodies. They executed Israeli men by cutting off their heads, brutally, using nothing but garden hoes. It was a satanic, barbaric and gruesome act.

What does Our Lady mean when She said, "**I need you,**" to Ivan. It was for us, Her children, that She spoke those words. Remember Our Lady's messages are for you. These words of Our Lady that Ivan conveyed are for you.

"Pray for my peace plan. I need you. With you 'I can' achieve peace...be persistent in this decision."

Practically every nation in the world is dismayed by what the terrorists are doing. Most of the world's population condemned the atrocities. Our Lady's plan is a new world. Our Lady is the Queen of Peace. Her plans are what Ivan told us:

"...with you 'I' can achieve peace."

You and the whole world are under a mandate.

“...Pray for my peace plan...”

The world is on a path of judgment that will bring us to reconcile with God. We will be coming into a new way of life. There will be a laborious, painful birth. On a broadcast that aired, nine years ago, on June 25, 2014, I stated:

“Our Lady has been coming to tell us how to live a new way of life. Because this life is under judgment. It’s not going to stay as it is. We won’t know life as we’ve known it. We’ve said this many, many times. We’ve been teaching this. We’ve been preaching this. We’ve been trying to convince you of this to change your life. Why? Because if you don’t, you will go down with the life as it exists, which, because it is under judgment and cannot stand and will not stand.”

We are in the midst of a time of what Our Lady has said has never been in the history since the beginning of the world.

April 4, 1985

“...I wish to keep on giving you messages as it has never been in history from the beginning of the world...”

In our modern time, what is our future? Hatred or Love?

January 25, 2023

“...The [future] is at a crossroads because modern man does not want God. That is why mankind is heading to perdition...”

Love and holiness is the only way to have a future. How do we know? Because it comes from the lips of the Queen of Peace:

January 25, 2020

“...there is no future for the ‘world’ without love and holiness...”

We have had 1.2 million people cross over the United States southern border over the past months and years. We do not even know how many illegals have come in. Nor do we know *who* they are. It is widely believed that there are tens of thousands of terrorists who ran through the border and got away without any contact with border control officers. Now they are spread throughout all the major U.S. cities. We learned as recently as August 2023, that one of El Salvador’s most wanted fugitives was arrested in Chelsea, Alabama, less than 10 miles away from the holy sites at Caritas of Birmingham. These terrorists are here for the right moment to be activated.

Our Lady asked us to pray for the success of Her peace plan. But satan has his own plans for destruction. It is, in fact, a terrorist plot that has been in the making for years called "The Perfect Day." US Retired Lt. Col. Dave Grossman explains what that The Perfect Day is:

"I have been told (by those conducting interviews with captured enemy combatants) that when we ask them 'what is coming next?', they sometimes refer to the 'Perfect Day.' You cannot understand what they are talking about if you do not understand the historical reference.

"The Sepoy Mutiny^[1] in India, in 1857, is an example of a Perfect Day. This was a spontaneous uprising by Muslims (and Hindus), with everyone giving the British their 'best shot.' Nannies killed the kids, cooks poisoned the food, and shop owners murdered the British ladies as they came into the shop. And soldiers (sometimes complete units) killed their British officers and then used their weapons to attack the British.

"In their dreams and fond imaginations, this is what will happen across all the 'Crusader nations' who are in Afghanistan. Pick a day, and everyone gives it their best shot. If just one in 1,000 of the Islamic people in our nations answer the call to Jihad (a Muslim holy war or spiritual struggle for the propagation or defense of Islam), it will still be thousands of attackers...

"The enemy thinks big, and we (with wishful thinking compounded by ignorance of their history) keep thinking small. The goal of this Perfect Day, in addition to terror, is to make us imprison (intern) our Islamic populations (as we did to the Japanese in WWII), thus making this a "war against Islam," instead of the current war against terrorist groups and Islamist fundamentalists."^[i]

Reporting on this same threat seven years ago, Glenn Beck explained **The Perfect Day** in these terms:

“It’s the day that Americans are killed on an unprecedented scale. It’s the day that no one, not even our children sitting in their classrooms at school, are safe. It’s the day that seemingly isolated incidents all converge into the greatest threat this country has ever experienced or imagined. It’s the day that the Islamist jihad against the West begins in earnest. It’s ‘The Perfect Day’ and it’s only perfect if you’re a terrorist.”^[ii]

Lt. Col. Dave Grossman continues in giving the history behind The Perfect Day, drawing an example from within the Old Testament in the story of Esther:

“The idea of the Perfect Day goes way back in their culture. Look at the Book of Esther in the Bible. It takes place in Iran (ancient Persia), where the Jews are in captivity. Haman gets permission to kill all the Jews on a certain day. The whole book is about how they turned that around and killed all of Haman’s people on that day.”^[iii]

Our Lady’s last apparition at Fatima

Is this Our Lady's plan, the Esther of our day? Our Lady said to Ivan, "...with you I can achieve peace..." In the Book of Esther, the king's right-hand man, Haman, gets permission to kill all the Jews on a certain day—**the 13th day of the month of Adar**. Queen Esther, a Jewess who is the wife of the king, intercedes to the king for her people and wins his favor. Everything turns around, and on the day that all the Jews were to be killed, it is Haman and all his people who are killed on that day. What is Our Lady praying for when She prays for peace?

It is Iran who is the aggressor against Israel in this battle, the same land from which Haman hatched his evil plot. There is a call by many to wipe out all of the terrorist cells in Gaza. Almost every country of the world is on Israel's side. Is the only way peace can be achieved is what Esther did? How will Our Lady bring peace? Esther brought peace to Her people.

A call for a global jihad was sent out to the world by a former leader of Hamas, the terrorist group responsible for the attack on Israel. The day he is calling for jihad is this **Friday, October 13**. October 13th is linked to Our Lady's apparitions in Fatima, so yet another fingerprint of Our Lady reveals that the events on earth are being paralleled in the spiritual realm as well. This threat is being taken seriously by some in our country. The New York Police Department asked all officers to report in uniform starting Friday, following calls for brutality and violence from the former leader of Hamas. Can we now understand why Our Lady showed worry on Her face to Ivan?

Praying for Our Lady's Plan for Peace,

I always have believed that the Book of Esther was about the Triumph of the Immaculate Heart of Mary. Thanks for putting this all together. I did not realize that the bombs were on the feast of the Holy Rosary.

I have just finished watching a DVD series called The Josiah Manifesto which was a recording from Jonathan Cahn. I am amazed what God is doing behind the scenes, tying everything that is happening now to Biblical Times – Jewish timetables – everything is happening to a perfect timetable set by Almighty God thousands of years ago. People in the USA may not be aware that your Government / Congress / Judiciary / Media is currently controlled by your Military in a brilliant worldwide operation, and there is heaps of evidence hidden in plain view that proves this. I have mentioned all the above in relation to this because FOM has mentioned that Our Lady has stated – and these comments may not be word perfect – that peace will not come through the Presidents. I am relieved a little that they are confident of success but in a spiritual battle of Good V Evil it is only when we are in alignment with God is victory assured. Our Lady has also reminded us that prayer can reduce Wars. I am guilty of not praying enough. We are not to fear but only Fear God. There are lots of stories around about World War 3 saying it will last for 7 days and linking to that is what will trigger God to intervene and start the secrets, to instantly change mankind forever. There are also stories that perhaps what we are seeing in the media may not be all true, as they are known to be out and out liars. In this case because Our Lady is worried, then we need to pray pray pray like we have never before as Our Lady needs to combine our prayers with hers to take before God. May God Bless FOM, COB and The USA and soften the hardened hearts being tricked by satan's evil deeds and plans. God will help us as we go through these testing times.

If we do not turn our hearts back to Jesus and through the Blessed Mother she gives us assurance that he commands this of us. For those who believe in our Lord must know that when he gave his mother to us at the foot of the cross before he took his last breath it was not just for her to be a thought in our minds but to actually turn to her for her love, nurturing as mothers do and for her prayers and guidance. If she was not part of his plan he would not have spoken those very powerful words on that very day! God Bless the ministry of Medjugorje and all the time and love being put into Caritas. I believe, I pray and call on Mother Mary

Jesus put it on my heart years ago to pray two rosaries and two Chaplets of divine mercy every day. Now I fast from TV three times a week and planning to fast on bread and water. We are all called individually to do what God puts on our hearts. No one can replace what we are called to do. The rosary is our greatest weapon.

Blessed Mother, I/we pray with Your special prayers to cover, protect and heal this world. May peace be restored through the multitude of prayer warriors. May all people, through You, return to loving our neighbors as ourselves, living God's Commandments, loving and forgiving each other as God loves and forgives us.

Dear Lord, hear all the petitions being prayed at the request of Your gift of Our Blessed Mother to us throughout these 42 years of Her apparitions in Medjugorje. Amen

Our Lady of Peace. Help us to do the Father's will. Prayer and fasting. Fasting is hard. That's what Esther had all Jews do. Pray and fast. Fast from food. Fast from things that prevent us from focusing on God. Fill the time with prayer. Help us to help others understand. So many poopoo anything that is said. They don't want us to talk about God and Jesus. Help us to say and do the right thing to bring glory to the Father.
